## Bruno - Beds

Available in: Single, King Single, Double, Queen and King

Queen Size Shown

- Solid oak / walnut is used everywhere on the headboard except for the square panels which are a combination of solid pine and oak veneer
- The side and end panels are a combination of solid pine and oak veneer and the frame at the end of the bed is solid oak
- All the wearing and structural components of this item are made from Solid Timber. This makes the product far stronger, heavier and of a much higher quality
- Assembly required
